Dear Vidyarthi,

Namasthe.

National Education Policy 2020, built on the foundational pillars of Access, Equity, Quality, Affordability and Accountability, this policy is aligned to the 2030 Agenda for Sustainable Development and aims to transform India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to 21st century needs and **aimed at bringing out the unique capabilities of each student.**

Vidya Bharati Akhil Bhartiya Shiksha Sansthan is the educational wing of Rashtriya Swayamsevak Sangh which was established in 1952 to meet the growing demand of education in India. Vidya Bharti runs one of the largest private networks of schools across India and strives to keep creating value in the Indian education system. With the vision of developing a National System of Education which would help in building a pathway of holistic learning for the generation of young men and women, Vidya Bharti continues to be a great pillar of support for the **education system of emerging India.**

The **MyNEP Contest** is a fun and interactive means of engagement with students, teachers and parents hosted by Vidya Bharati Akhil Bhartiya Shiksha Sansthan to raise and gauge the **general awareness about NEP.**

Participants were encouraged to explore their creativity as well as knowledge of the NEP through various competitions like **300 words essay writing, Quiz, Letter to the PM, Painting, Meme making** etc. to name a few.

Your *Language proficiency & writing style, Originality, Novelty, Clarity and the Content & Format* - **the beautiful description of the principles NEP 2020**, the unique thought process - “**Education is not a problem. It is an opportunity**”, depicted in the essay captured the attention and captivated the acumen of the Jury.

We are glad to know from the Principal that **you** have secured the **first position - National Level**- category 9th to 12th - in the **essay writing competition and secured 86% in the MyNEP online quiz**. This is a **tremendous feat of accomplishment** and an honour for your **parents, the institution and our Nation**. **You have become a part of the educational transformation of India!**

Well done **Anushalakshmi**. **We wish you a bright career ahead. Hope you will disseminate the salient features of NEP 2020 among the learners, play the role of NEP 2020 ambassador and serve this HOLY LAND OF BHARAT**. You can guide your sibling **Selvan. M. Thillai Shiva Shakthi**, a student of Grade-10 B and your peer group to bring such accolades to our Nation.

We take this opportunity to congratulate your illustrious parents **Sri M. Mariappan & Smt. M. Meena** for their staunch support, encouragement and rapport with the institution.

Yours in the service of Education

"Education is not the amount of information that we put into your brain and runs riot there, undigested, all your life but we must have life-building, Man-making, character-building assimilations of ideas. If you have assimilated five ideas and made them your life and character, you are more educated than a man who has got by heart a whole library." - **Swami Vivekananda**.
